

Altar Guild

Description: The Altar Guild's duties are to dress the altar, place candles, set the credence table, prepare the chalice, lay out vestments, put up the hymn numbers, polish silver and launder linens. At Christmas and Easter, we are the ones who decorate the church. We set up for three services a week – one on Thursday and two each Sunday- and for weddings and funerals. Each person takes two turns a year for a month each time and always work with another person.

We serve our Church and our priests as needed for all services and rites. We keep all the elements in good order as required.
