This Week's PARISH NEWS!

A Message from
Mother Shelley

Jesus said to his disciples, "I am the true vine, and my Father is the vinegrower. He removes every branch in me that bears no fruit. Every branch that bears fruit he prunes to make it bear more fruit." (*John 15:1,2*)

Dear Friends,

It's that time of year again when I see Jim Stefanella several days a week working hard in the garden preparing the ground for fresh mulch and new plantings. He generally begins in one corner and works his way over every inch of grass, brick, and bush pulling up weeds, trimming wild winter growth, and sometimes moving a plant from one side of the yard

to another. He does this interesting thing where, after the daffodils have had their final glory, he ties up their stems in knots so they will regenerate fully back into the ground. Daffodils are a favorite of mine as they remind me of my mom each spring. Jim always offers such quiet patience and trust that all will bloom in its own time, in its own way.

We can all use such love and confidence when looking into the garden of our own lives. As seasons change, various aspects of our own journey may need to adapt. Areas of conflict will need tending. Weeds and decay will need pulling, perhaps used for composting. Openings may need to be made for greater Light, nutrients added for our very foundation. Often, just the simplicity of getting down on our knees and allowing more time to gaze upon the beauty of creation is all that is needed.

Thank you, Jim
Mother Shelley +
